Summary: Kion's first word was Kiara, or well Kiawa. But hey, still counts.

Kion's first word

Kovu went to see Kiara after hearing that she had a new sibling, Simba let him see his new son. Kiara showed how he was so cute, and that she would always protect him. Kovu got angry, and soon left. He couldn't stand the thought of Kion replacing him in Kiara's heart. Kiara speant everyday with her baby brother, and wasn't expecting his first word.

"Kion! Kion!"

"Meow!"

"Hehe!"

"K-Kiawa!"

"What? Mom! Dad! I think Kion just said his first word!"

"WHAT?!"

"Kiawa!"

"He did! Simba did you hear that?"

"Yes I did. He loves you Kiara, saying your name."

"Hehe! Ya."

"Kiawa! Kiawa!"

"Kion! Kion!"

"Their going to get along so well."

"Yes they are Nala, yes they are."

End
file.
